To whom it may concern,

Joy's Kitchen has been operating at Westwoods Community Church for the past 11 years. It has grown in that time to a once weekly food rescue and distributor to a 5-6 day a week operation.

This organization rescues thousands of pounds of food each week with the help of volunteers who pick up, unload, and organize the food for free distribution. They offer a wide range of items, including food, vitamins, and toiletries, to support those facing food insecurity. Additionally, they've built a strong sense of community among their volunteers.

As we are no longer able to accommodate them at Westwoods, we are thankful for all that Joys has done and hope that with your help the organization of Joys Kitchen can continue their important work in meeting the needs of many.

If you have any questions please contact Drew Cole at drew@westwoodsc.org

Sincerely,

Westwoods Community Church
Elder Board
